

Mr. Malata's Miscellaneous Publications:

1. The management of burns in trauma victims. **Malata CM**, Fitzpatrick J, Pruitt BA Jr., Sharpe DT. In: Wallace A, Rowles J, Colton C (editors). *Management of Disasters*. BMJ Publishing Group, London, **Chapter 15**, 1994, Pp. 198-234.
2. Tissue expansion: Overview. **Malata CM**, Williams N, Sharpe DT. *J Wound Care* 1995; **4**(1): 37-44.
3. Clinical applications of tissue expansion. **Malata CM**, Williams N, Sharpe DT. *Journal of Wound Care* 1995; **4**(2): 88-94.
4. Squamous cell carcinoma of penis presenting as a groin metastasis 3 years before the primary. Sinha M, Katema M, **Malata CM**. *J Plast Reconstr Aesthet Surg* 2006; **59**(5): 547-9.
5. Giant atypical ossifying fibromyxoid tumour of the calf. [Harish S](#), [Polson A](#), [Morris P](#), **Malata C**, [Griffiths M](#), [Bearcroft PW](#). *Skeletal Radiol*. 2006 April; **35**(4): 248-53.
6. Sciatic neuroma presenting forty years after above-knee amputation. Kitcat M, Hunter JE, **Malata CM**. *Open Orthopaedic Journal* 2009 Dec **30**;3:125-7.
7. Successful salvage right upper lobectomy and flap repair of tracheo-esophageal fistula due to severe necrotising pneumonia. Evans BJ, Mackenzie I, Sivasothy P, **Malata CM**, Coonar AS. *Interact Cardiovasc Thorac Surg* 2009 Nov; **9**(5): 896-8.
8. Fishing-related foreign body in hand: Not hook! A case report. Sinha M, **Malata CM**. *European Journal of Plastic Surgery* 2009; **32**(2): 107-8.
9. Continuous wound infusion of local anaesthetic following colorectal surgery: Systematic review and meta-analysis. Karthikesalingam A, Walsh SR, Markar SR, Sadat U, Tang TY, **Malata CM**. *World J Gastroenterol* 2008; **14**(34): 5301-5.
10. Pedicled gracilis myocutaneous flap for treatment of recalcitrant hydradenitis suppurativa of the groin and perineum. Solanki N, Roshan A, **Malata CM**. *Journal of Wound Care* 2009; **18**(3): 110-2.
11. Modification of the tensor fasciae latae flap for reconstruction of the abdominal wall: a case report. Swindells M, Patel IA, **Malata CM**. *Journal of Wound Care* 2005; **14**(5): 200-1.
12. Quantification of "mechanical" and "biological" creep in tissue expansion using in vivo pressures. Shuter M, **Malata CM**, Duffy JS, Sharpe DT. *Medical Engineering & Physics* 1994; **16**(1): 24-8.

13. All day drinking - Its impact on an accident and emergency department.
Rhodes M, Carlson G, Dunn J, **Malata C**, Merry C, Milne D.
Health Trends 1990; **22**(3): 120-1.

14. **A comparison of teicoplanin vs. cephadrine and metronidazole in vascular surgical prophylaxis. Antrum R, Wyne K, Gorst K, Galvin K, Thornton C, Malata C, Ramsden C, Kester R. Scandinavian Journal of Infectious Diseases 1990; Suppl. 72: 45-53.**
